## LANSING L - WHITE FREESTANDING BIOETHANOL FIREPLACE

BIO-20-213

The ScandiFlames Lansing L is an elegant, freestanding two-sided bioethanol fireplace measuring H: 70 cm x W: 100 cm x D: 30 cm. This white fireplace is perfect as a room divider between the living room and kitchen, allowing the flames to be enjoyed from two opposite sides. It features a manual 3.5-liter fuel tank, providing up to 7.5 hours of burn time and a heat output of max 3.3 kW. Flame regulation and extinguishing tool is included.
