BIO FIREPLACE - STEEL AND GLASS

BIO-20-207

The ScandiFlames bioethanol fireplace with glass sides and steel burner which gives a modern and sleek look. This elegant bio fireplace can be placed on both table and floor, featuring a 0.7-liter burner with a burn time of up to 3 hours per filling. The burner appears to float between the two glass sides, providing an impressive view of the flames. The fireplace is easy to clean as it does not produce smoke, soot, or odors.
