LAMBETH WHITE - TABLETOP BIO FIREPLACE

BIO-20-259

The ScandiFlames Lambeth Tabletop Bioethanol Fireplace in white is an elegant and graceful small fireplace that can be used both indoors and outdoors. With its rectangular shape and timeless design, it is sleek and eye-catching. Safety glass on both sides secures the flame and provides maximum visibility. It is easy to move around when extinguished and requires no electricity. With a burn time of up to 2.5 hours per filling, it is perfect for creating a cozy atmosphere. Maintenance is simple as bioethanol fireplaces do not produce smoke or soot.
