

CACHFIRES

ICON FIRES NERO 1750 WALL FIRE - BLACK

BIO-70-205

Nero 1750 Wall by Icon Fires is a sleek, wall-mounted bioethanol fireplace that captivates with its narrow design and stunning flames. Featuring an advanced Slimline burner, it provides up to 9 hours of burn time on a single refill, with a capacity of 8.15 liters. With a maximum heat output of 9.8 kW and a depth of just 195 mm, this fireplace is perfect for modern spaces where space is limited. The included automatic bioethanol pump ensures easy and safe refueling.
