## ICON FIRES FIREBOX SFB1100 - BRUSHED STEEL

BIO-70-208

Slimline Firebox SFB1100 built-in bioethanol fireplace from Icon Fires combines style and functionality. Its sleek design fits perfectly in any interior, requiring no chimney thanks to bioethanol fuel. The fireplace offers a maximum heat output of 5.4 kW and can burn for up to 8 hours on a 4.5-liter bioethanol fill. The Slimline burner provides an authentic flame, creating a cosy atmosphere without the hassle of smoke, ash, or wood.
