FOCO ONE 1200

BIO-30-130

Foco One 1200 is a stylish one-sided bioethanol fireplace designed for wall installation, allowing the flames to be viewed only from the front. This fireplace is ideal for creating a cosy atmosphere and offers the option between a manual and automatic burner with adjustable flame levels. The Foco One is made from 4 mm powder-coated stainless steel and comes with tempered glass, which protects the flames from drafts and wind gusts, ensuring a stable flame experience.
