## CHEYENNE - BIOETHANOL STOVE FIREPLACE

BIO-20-304

Cheyenne Bioethanol Stove in Black combines classic design with modern functionality. Standing at 95 cm tall, this freestanding fireplace allows for a 3-sided view of the flames, creating a captivating focal point in any room. The 1-liter burner provides up to 4.5 hours of burn time, delivering a heat output of 1.9 kW. Featuring two storage compartments beneath the flames where you can put decoration wood or fire wood for an authentic look. This bioethanol stove requires no chimney, offering a stylish and practical heating solution.
