FOCO ONE 1500

BIO-30-148

Foco One 1500 is a 150 cm wide bioethanol fireplace, ideal for installation under a TV, offering a front view of the flames. This model is ideal for installation under a TV. As a standard, the Foco One 1500 comes with two manual burners but can be upgraded to various remote controlled burners. The fireplace is made of 4 mm thick black powder coated stainless steel and has a tempered glass panel at the front that protects the flames, ensuring a safe environment.
