TEXAS BLACK - WALL MOUNTED BIOETHANOL FIREPLACE

BIO-10-061

Elegant and simple wall-mounted bioethanol fireplace in black, equipped with a 1.5-liter slimline burner that provides up to 3 hours of burn time per fill. This slim bio fireplace features a large safety glass in front of the flames, protecting against drafts and small gusts. The flame size can be easily adjusted with the included control tool. The Texas bio fireplace is ideal for both private homes and professional environments, creating a cosy and stylish atmosphere.
