## ATLANTA DOUBLE BIOETHANOL STOVE

BIO-20-322

The ScandiFlames Atlanta Double is an indoor bioethanol fireplace made of powder-coated steel, featuring two doors and two 1.5-liter fuel tanks. This fireplace has a burn time of up to 6 hours per fuel tank and a total heat output of 4 kW. The Atlanta Double requires no installation or electricity, making it versatile and easy to place in any living space. Designed with a focus on functionality and durability, it is a remarkable addition to any modern home.
